OCTOBER IS BREAST CANCER AWARENESS MONTH.

In keeping with our commitment for the past 74 years of community involvement all five of our publications and web site for this month is dedicated to Cancer Awareness. We encourage you to make donations to *The Cancer Services Program at Glens Falls Hospital.* That program provides no-cost mammograms, breast exams, pap tests and *take home* colon cancer screening kits. Their services are provided by many local doctors and health centers for men and women with *no health insurance.* Help your neighbors and join in the fight! Advertisers in this issue have helped; please support them as they help support our communities.
